

UNIVERSITY OF PASSO FUNDO

The University of Passo Fundo (UPF) is a reference in undergraduate, graduate, research, extension and technological innovation. It is recognized in the Times Higher Education international ranking as one of the best universities in the world and it is also among the best universities in Latin America and the Caribbean, twice in a row, by the same publication.

International Relations Office (IRO)

The International Relations Office is responsible for the expansion, consolidation and promotion of the internationalization at the UPF. The duties of IRO are:

- Expanding relations, partnerships and agreements with the national and international scientific community;*
- coordinating the face-to-face and virtual academic mobility programs;*
- Managing and coordinating international agreements.*

Highlights

- Undergraduate and graduate courses in all areas of knowledge: health, engineering, agriculture, business, technology, humanities, communication, education;
- About 70 agreements with foreign institutions that allow the mobility of students to approximately 20 countries;
- More than 200 laboratories and clinics in different areas;
- Involvement with community actions;
- Researchers and publications of international reference in different areas, with 15 graduate programs (*stricto sensu*);
- UPF Mundi – Languages School;
 - Research and extension centers in different areas of knowledge;
 - Veterinary Hospital;
 - Science and Technology Park;
 - Positioned among the best private universities in the world according to the Times Higher Education international ranking.

International agreements

UPF is open to establishing agreements and partnerships with foreign institutions to carry out collaborative projects with a view to internationalization, among them:

- Face-to-face and virtual academic mobility (in/out);
- Mobility of visiting professor (in/out);
- Language exchange;
- Mandatory and non-mandatory internships at undergraduate and graduate levels;
- Research and innovation projects;
- Short-term courses;
- Academic events;
- Extension and volunteering activities.
