JANUARY 2024

VISIT OF MRS. AMBASSADOR OF CHILE

Chilean Ambassador in Poland, Mrs. Aylin Joo Liem, visited Powiślański University in December and delivered an engaging lecture to our students, highlighting the significance of international relations.

The talk centered on fostering a global perspective and deepening understanding between cultures. The visit underscored the university's commitment to providing students with valuable insights into the broader international landscape.

JANUARY 2024

INTERNATIONAL TEACHING WEEK - UNIVERSUM INTERNATIONAL COLLEGE

A representative of the Powiślański University, MA Anna Wysocka, participated in Teaching Week at a renowned partner university - Universum International College in Pristina, Kosovo.

Our lecturer not only shared her knowledge in classes with local students, but also actively participated in the International Scientific Conference.

She recommends everyone to go for an Erasmus+ Mobility as it was her 1st time, but for sure not the last one.

INTERNATIONAL STAFF WEEK AT COMENIUS UNIVERSITY IN BRATISLAVA

Coordinator of our International Office, MA Paulina Osuch, represented our university during International Staff Week at Comenius University in Bratislava.

Her involvement strengthened ties between universities and was also a great opportunity for personal and professional development through interpersonal communication with people from all over the world.

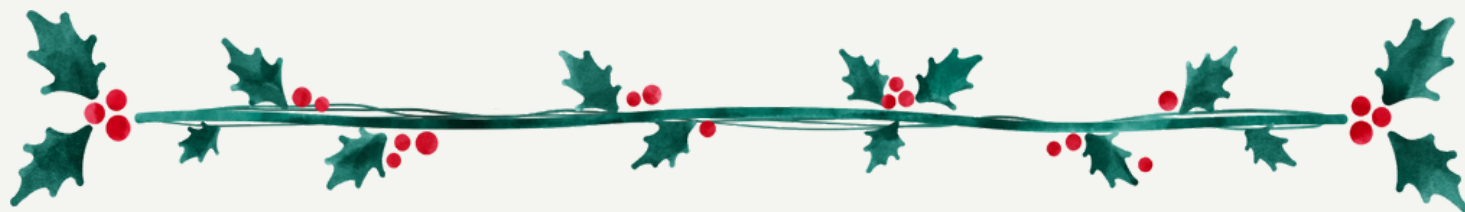

DELEGATIONS FROM KASETSART UNIVERSITY AND MAU AND COM

October was a very active month for Powiślański University. We hosted delegations from a university from Thailand (Kasetsart University) and two Turkish universities (Muş Alparslan University and Çanakkale Onsekiz Mart University).

Lecturers from Turkey, as part of their Erasmus+ mobility, conducted classes for our students and in a meeting with Thai representatives, initiatives such as the organisation of Summer Camp, Double Diploma, as well as joint research between our students and teaching staff were discussed.
