

INTERNATIONAL WEEK'24

22-26.05.2024

Main events of IW:

*XI International Scientific Conference
VI International Student Conference
6th International Higher Education Fair*

Additional information

Application

The International Staff Week is open for all English speakers and departments.

Institutions from program countries that do not share an ICM agreement with Powiślański University are also eligible to apply.

Interested staff from KA131 will need to contact their International Office in advance to confirm entitlement for staff mobility.

Once you apply, we will send the invitation letters.

Participation fee

To participate at our International Staff Week there will be a symbolic fee.

Payment will be done in cash during registration on the first day.

The fee applies to all participants.

What to Bring

We kindly ask participants to bring booklets, leaflets, university themed tools such as pens, notebooks, stickers etc.

This is needed and necessary for the International Higher Education Fair.

The fair plays a big role on the dissemination of the project!
