

# EUROPEAN STUDIES SUMMER SCHOOL

**July 9 – July 22, 2023** – *University of Pécs, Hungary*

During the summer school, students will study the political, economic, cultural and social achievements and challenges of the European Union. They will expand their knowledge on topics such as migration, security, economic transitions, art history, gastronomy and folk traditions in Europe. Engaging social programs will also be organized for participants to provide a unique intercultural experience, including a Hungarian dance house, an Intercultural Evening and a wine tasting program.
